Matches

Start + Finish

Herbert Park started off a great GC Croquet show – E. Moore + P. O'Reagan took Moynalvey House to the limit, just scraping out at (6-7) but carried on with 3 more strong games and a win.

The tournament ended with more perfect score Finalists (from Carrickmines) and from the very notable Hurlingham players.

All were popular winners and how lucky we were that the changeable weather allowed just enough sun-breaks to leave everyone happy!!

Herbert Park had a range of other successes including from stylish player, R. Barklie and from a new winning combo. of I. Holloway and E. McKenna!

K. Keating and A. Mulhern took on some great challenges in both singles and doubles – very exciting shots thrilled the passers-by. B. McCrea arrived and got right in to test her opponent to the limit – 15 mins to take Hoop 1 which was just the beginning...
